A. B. MAHMOUD SAN,
PRESIDENT,
NIGERIAN BAR ASSOCIATION,
NBA HOUSE,
CENTRAL DISTRICT,
ABUJA.

Sir,

INABILITY OF 85 PERCENT OF ELIGIBLE VOTERS IN MY BRANCH TO VERIFY THEIR STATUS AND INFORMATION IN THE VERIFICATION PORTAL PROVIDED BY THE ECNBA FOR THE PURPOSE OF VOTING AT THE UP COMING ELECTIONS INTO NATIONAL OFFICES OF THE NIGERIAN BAR ASSOCIATION

We write with respect to the above subject matter and to bring to your notice the inability of over 85 percent of eligible voters in the Benin Branch of the Nigerian Bar Association to verify their status and information in the verification portal as provided by the Electoral Committee of the Nigerian Bar Association in the on-going re-verification exercise which began on Tuesday, the 31st day of July, 2018 and is slated to end on Sunday the 5th day of August, 2018.

The verification portal as deployed by CRENET TECHLABS on behalf of the ECNBA is slow, inadequate and patently unreliable as the names and supreme court numbers are either not found or there is a mix-match between the supreme court numbers supplied and the follow up details or no record is found at all of members who had hitherto verified in the previous verification processes leading up to the present re-verification exercise or access codes are either not sent or sent after a long period of waiting by which time it has become unusable or out-rightly useless.

You are invited to note sir, that even the option to query tickets is not functional.
