

You may wish to be informed sir, that the Benin Bar has been designated as one of the top 10 branches with regards to the voting population of lawyers in Nigeria.

Consequently sir, to proceed with the electoral process of voting in the face of the wanton disenfranchisement of such a large cache of voters would impeach and impugn the electoral process and the character of its promoters.

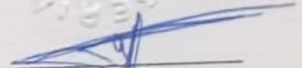

In the circumstances of the above, you are kindly requested to use your good office to extend the period of verification and provide ample time for the new ICT Company to improve on its operations so as to give credibility to the process.

As always, you have the assurances of our highly esteemed professional regards.

Yours faithfully,

FOR: NBA BENIN BRANCH
