## About Africa Legal

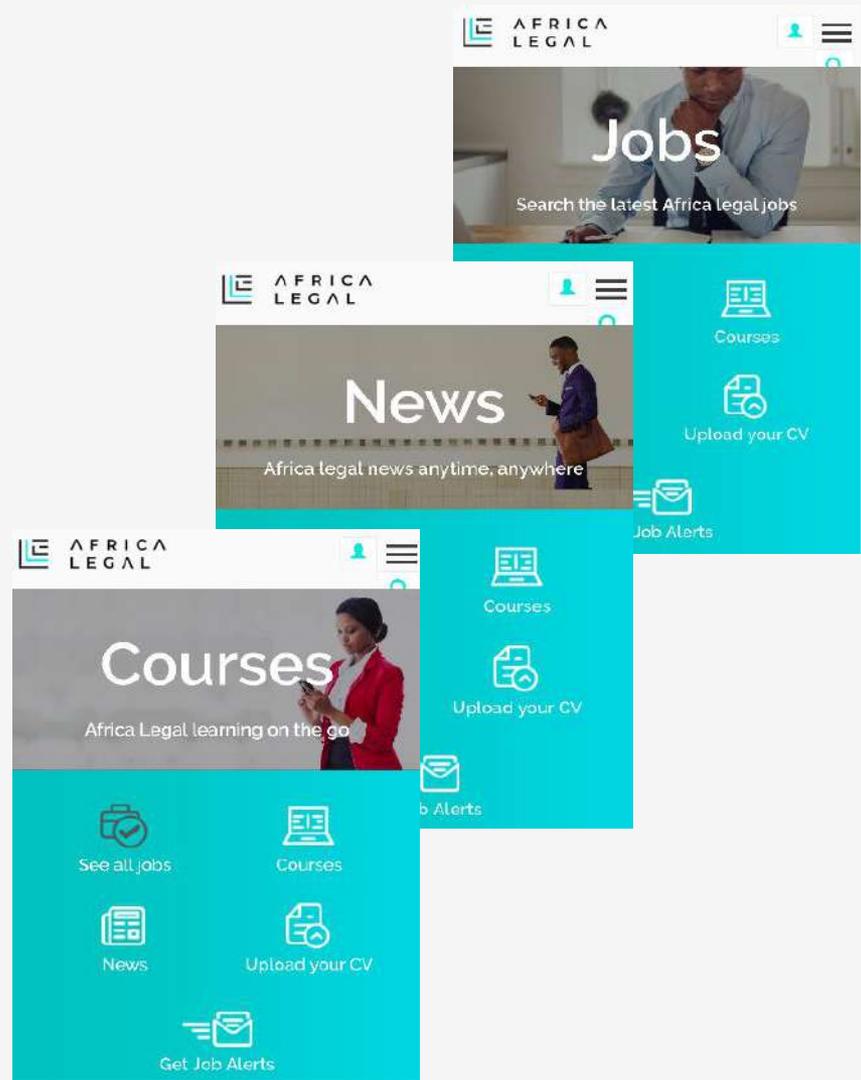

**Africa Legal** was founded in 2018 and is the first sector focused platform to be launched by the Africa Professional Services Group.

Driven by a desire to create access for aspirational legal professionals across Africa to jobs, market insight and education.

With a growing team based in London, Durban, Cape Town, Johannesburg, Lagos and Nairobi we partner with law firms, academia and corporates to host jobs, create bespoke and engaging content and learning experiences hosted on the [Africa Legal](#) platform.
